

THE GDI DIFFERENCE

Employer Experience

Savings

Reduce payroll taxes and increase employees' take-home pay. Your FICA savings typically exceeds the cost to offer the plan.

Technology

Intuitive on-line tools provide you with instant access to plan details and utilization.

Education

On-site educational sessions and website video, professional and patient staff members.

Compliance

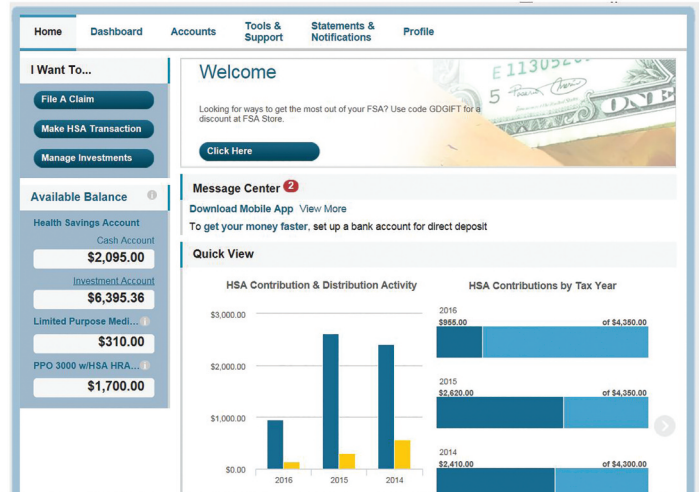

Compliance Alerts delivered via email advising you of regulatory changes that impact your plan.

Responsiveness

- A dedicated team to meet your needs and exceed your expectations.
- With more than 25 years in the industry, GDI serves more than 2,000 clients across 22 states.
- Superior service results in an exceptional, industry-leading client retention rate.
